

The installation of Senator One-Step Carpet Tiles is accomplished in a “one-step” process as the pre-attached pieces (surface module and hook substrate) are installed simultaneously – making installation quick, clean and easy. The simplicity and flexibility of the installation method makes Senator One-Step™ with TacFast an excellent product line for the Commercial Retail Market. (Below images are a guide for installation).

Senator One-Step Tile

Senator One-Step™ Carpet Tiles with TacFast backing, create a free-floating modular floor that can be installed over any sub floor without any attachment to that sub floor.

Specifications
